

Privacy Policy

Protecting your private information is our priority.

This Statement of Privacy applies to www.financialmarketingpros.com and Financial Marketing Pros, and governs data collection and usage.

For the purposes of this Privacy Policy, unless otherwise noted, all references to Financial Marketing Pros, including www.financialmarketingpros.com and Financial Marketing Pros.

The Financial Marketing Pros website is an advertising and marketing business site. By using the Financial Marketing Pros website, you consent to the data practices described in this statement.

Collection of your Personal Information

Financial Marketing Pros may collect personally identifiable information, such as your name, email address, telephone number, name of business and more.

If you purchase Financial Marketing Pros products and services, we collect billing and credit card information. This information is used to complete the purchase transaction.

Financial Marketing Pros may also collect anonymous demographic information, which is not unique to you, such as your age and gender. We may gather additional personal or non-personal information in the future. Information about your computer hardware and software may be automatically collected by Financial Marketing Pros. This information can include: your IP address, browser type, domain names, access times and referring website addresses.

FINANCIAL MARKETING PROS

This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Financial Marketing Pros website.

Financial Marketing Pros is not responsible for the privacy statements or other content on websites outside of the Financial Marketing Pros website.

Use of your Personal Information

Financial Marketing Pros collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Financial Marketing Pros may also use your personally identifiable information to inform you of other products or services available from Financial Marketing Pros and its affiliates. Financial Marketing Pros may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Financial Marketing Pros does not sell, rent or lease its customer lists to third parties.

Financial Marketing Pros may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is transferred to the third party.

Financial Marketing Pros may share data with trusted partners to help perform statistical analysis, send you email or postal mail, and provide customer support and service deliveries. Third parties are prohibited from using your personal information except to provide these services to Financial Marketing Pros, and they are required to maintain the confidentiality of your information.

FINANCIAL MARKETING PROS

Financial Marketing Pros may keep track of the websites and pages our users visit within Financial Marketing Pros, in order to determine what Financial Marketing Pros services are the most popular. This data is used to deliver customized content and advertising within Financial Marketing Pros to customers whose behavior indicates that they are interested in a particular subject area.

Financial Marketing Pros will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Financial Marketing Pros or the site; (b) protect and defend the rights or property of Financial Marketing Pros; and, (c) act under exigent circumstances to protect the personal safety of users of Financial Marketing Pros, or the public.

Confidential Information

Financial Marketing Pros will take all reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of confidential information including trade secrets and customer lists.

Financial Marketing Pros will not sell, rent or lease customer lists to third parties. Financial Marketing Pros will notify you immediately in the event of any loss, or unauthorized use or improper disclosure of Confidential Information.

Use of Cookies

The Financial Marketing Pros website may use “cookies” to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned

to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Financial Marketing Pros pages, or register with Financial Marketing Pros site or services, a cookie helps Financial Marketing Pros to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Financial Marketing Pros website, the information you previously provided can be retrieved, so you can easily use the Financial Marketing Pros features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer.

If you choose to decline cookies, you may not be able to fully experience the interactive features of the Financial Marketing Pros services or websites you visit.

Security of your Personal Information

Financial Marketing Pros secures your personal information from unauthorized access, use or disclosure.

When personal information (such as a credit card number) is transmitted, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.
